### Motu Proprio Regarding Sexual Abuse

In May 2019, the Holy Father established new universal law for the global Church to protect children and

vulnerable people from the evils of clergy sexual abuse, while holding all members of the clergy accountable regardless if they are the direct abuser or involved in the cover-up of such crimes. These norms add more layers of response to The Charter that has already been implemented by the American Church since 2002. The Motu Proprio serves as a global baseline to be implemented and complemented by additional reforms relevant to individual countries, so that differing cultures and civil reporting laws are taken into consideration. However, it is mandatory that Church institutions comply with all civil reporting laws. To learn more visit: [www.usccbprevention.org](http://www.usccbprevention.org)

### HELPING HANDS UPDATE

Helping Hands will be taking volunteers to both Jamaica and Kenya in the coming months. The Jamaica trip will be October 29/30th to November 13/14th and the Kenyan trip will be January 9/10th, 2020 to February 3/4th. Both of the trips will touch your soul and heart like never before!

If you are interested in joining Helping Hands for either or both of these trips, please contact Tom & Mary Pat Roovers: (715) 842-4270

Helping Hands volunteers will be preparing a meal for the Jubilee House on July 11th. We had prepared a meal in the Fall and everyone had such a good time serving our community we decided to do it again. Thank you to the Jubilee House Committee for giving us this opportunity to give back to our community.

Our men volunteers have been working tirelessly on constructing a storage building (30' X 160') for Helping Hands. This is the first time in our 23 years of helping others that we will have our own storage facility. No more funeral home basements, barns, borrowed semi's, rented space or other places for storage that we have had to use over the years.

THANK YOU guys for making our storage space a reality!

The 40' container that was packed and shipped in October, 2018 has arrived in Kenya and the items have been distributed to all the organizations and individuals. Helping Hands has received many thanks and so much appreciation from the recipients. It gives them hope to know others care about them.

God bless all our volunteers and supporters,  
Helping Hands could not do it without your support.
